How Well Do You Know God?
Exodus 33:11-18

You can strengthen your relationship with God by pursuing three passions . . .

1. **Chase Down God's Will** (vs.12-13)
 - *Key Principle* – there must first be a willingness to do God's will before you can know God's will.

2. **Live Out God's Presence** (vs.14-16)
 - *Distinguishing Difference* – God's evident presence in your life will make the difference in your ability to be salt & light in your sphere of influence.

3. **Dive In to God's Glory** (vs.17-18)
 - *Passionate Pursuit* – don't settle for anything less than all that God has made available to you!
