

Defining Immovable's:

- **One** that **cannot** be **moved**
- adj. Not **moving** or not **intended** to be moved.

This series will cover vital doctrines that if moved, will cause one's faith to become **unstable** and make us **vulnerable** to **abandoning** our faith.

The pillar of Inerrancy flows from:

The **nature** of God

The claims of **scripture**

The claims of the **authors**

Verification by **science** and **history**

What do we do when we don't understand?

**Study** and **search** the Scripture

**Trust** in the **nature** of God

The great doctrinal and theological problem with inerrancy

Inerrancy **demands obedience**
