“Vibrant”

Acts 5:40–6:7; Revelation 3:14–19

Last Week:

- We are either a “worker” or a “watcher”, helping or hindering the building of God’s church!

Building Requires:

- Hard work
- Team work
- Resources

One BIG Idea:

- The church was never designed to be stagnant but vibrant!

Vibrant Requires:

- Christ as core
- Passion
- Regular Life Change
