“Do What?”

James 1:1-18

Overview of the book of James:

- James drives believers to have a faith that works
 - A “Prove it” kind of faith

Central Point:

- I have a “Prove it” kind of faith when I can rest and rejoice when trials come.

Thoughts:

- It's not that we are to be joyous for the trial but rather in the trial
- We find out who we really are when we are under pressure
- We arrive at maturity...on purpose
