## “Cost”

James 2:14-26

I have a “Prove it” kind of faith...

- When I can rest and rejoice when trials come
- When I submit to God's Word in my life
- When I avoid favoritism and a judgmental spirit

Controversy Clarification:

- Works without faith = spiritually dead
- Faith without works = functionally dead

Central Point: Having a Prove it kind of faith...will cost me something!

- A faith that costs me little to nothing is a little to nothing kind of faith
- Faith always involves a certain degree of risk
