## “Politics”

James 3:13-18

I have a “Prove it” kind of faith...

- When I can rest and rejoice when trials come
- When I submit to God’s Word in my life
- When I avoid favoritism and a judgmental spirit
- Knowing it will cost me something
- When my tongue is under control

Central Point: A Prove it kind of faith...is one that is humble & not self promoting

- Politics for personal gain are obvious and odious
- Genuine humility is a quiet strength that is respected by all
