“Come Close”

James 4:1-12

A “Prove it” kind of faith is...

- When I can rest and rejoice when trials come
- When I submit to God’s Word in my life
- When I avoid favoritism and a judgmental spirit
- Knowing it will cost me something
- When my tongue is under control
- One that is humble & not self promoting

Central Point: A Prove it kind of faith...is one that is close to God & it shows.

- The most miserable people on earth are believers who are far from God!
- Coming close to God requires humility and holiness but pays an incredible surplus of grace
