“Best Laid Plans”

James 4:13-17

A “Prove it” kind of faith is...

- When I can rest and rejoice when trials come
- When I submit to God's Word in my life
- When I avoid favoritism and a judgmental spirit
- Knowing it will cost me something
- When my tongue is under control
- One that is humble & not self promoting
- One that is close to God & it shows

Central Point:

- A Prove it kind of faith...is one that the will of God is central to my life
 - Plan your work and work your plan but don't make a plan without God in the works
 - Knowingly disobeying God's will is sin
