“Patience”

James 5:7-12

A “Prove it” kind of faith is...

- When I can rest and rejoice when trials come
- When I submit to God’s Word in my life
- When I avoid favoritism and a judgmental spirit
- Knowing it will cost me something
- When my tongue is under control
- One that is humble & not self promoting
- One that is close to God & it shows
- One that the will of God is central to my life

Central Point:

- A Prove it kind of faith...When I am patient, knowing it won’t be long until the Lord’s coming.
 - I am patient with injustice and evil
 - I am patient with suffering
 - I am patient with other believers
