“War Within”

Galatians 5:16–26

Review:

- The Holy Spirit is fully God
- The Holy Spirit is our Supernatural Helper
- Every Christian is commanded to be filled with the Holy Spirit...regularly
- We honor the Holy Spirit when we open and use His gifts

Central Point:

- You are in battle for your life and future. Who you listen to will determine who wins.
 - The Holy Spirit will never lead you astray!
 - Walk with Him: in the same direction at the same pace!
